Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)*

CALM DOWN!!!: A STRESS SURVIVAL GUIDE (PAPERBACK)

Silent But Deadly Publications, United Kingdom, 2007. Paperback. Condition: New. Language: N/A. Brand new Book. This is the latest in Martin Baxendale's popular series of cartoon-illustrated gift-books that takes a humorous look at the growing problem of stress. With his usual off-the-wall sense of humour, Martin offers (often pretty wacky) advice based on his own experience of coping with and surviving the stress that increasingly plagues all our daily lives, at work and at home. This is the ideal gift for anyone who gets a bit stressed from time to time - so that would be all of us then.
